WHAT CONTRACTORS ARE SAYING...

“I've been using Cliplight leak sealer for many years and I've never had a problem with it. We have used it on large equipment, small equipment. It's great! It works! We guarantee it!”

Aaron York, Owner
York's Quality Air, Indianapolis, IN

“An excellent product for existing field applications, older units, even new installations. Great up sale, customers love it! Fully back it. Proud to use it!”

Louis Habaica, Owner
Habaica Services, Phoenix, AZ
